

**Bachelor`s Degree of Higher Professional Education Programme
207BH Industrial engineering and management
full time**

APSTIPRINU:

LU BVEF dekāns G. Bērziņš
13.10.2022.

2022./2023. ac. year autumn examination schedule

Day	4th year
October-November 2022	
31.10. Monday	10:30 Simulation models for the process analysis lect. E. Rēns 309.
01.11. Tuesday	
02.11. Wednesday	
03.11. Thursday	12:30 System principles of industrial engineering lect. G. Poišs 305.
04.11. Friday	
	A4 SDSK4028 Simulation models for the process analysis +BG+Er37 lect. E. Rēns
	A4 SDSK4027 System principles of industrial engineering L/S+Er37 lect. G. Poišs
	A2 SDSK4024 Total Quality Management System - according to the individual plan prof. H. Kalkis
	A10 SDSK4034 Practice in specialization
